"A PASSAGE OF TIME"

RENEE M. CAMPBELL: EDITOR

The Publications Class of
Washington High School

The times we shared together
are remembered now only in my mind.
A small but important part,
shaping today's world
with yesterdays memories.
Another chapter in the
unwritten biography of my life,
never to be experienced again,
remembered only in my mind.

Our friendship will not be
erased by the passage of time.

without being blinded to
the
joys of the
present

what I will be

what I am.

I don't know which is harder;
saying goodbye
or starting new.
Neither one is easy,
but I need both . . .
Change is part of my growth.

Passing seasons,
many years,
joys and laughter,
tears and sorrow
and through it all,
we remain together
in our hearts.

MISS BILLY SILVA

Dedication

The Student Body of Washington High School wishes to dedicate the Nineteen Hundred and Seventy-nine Washingtonian to Miss Billy Silva. Miss Silva has been extremely dedicated to the students here and to Washington High School.

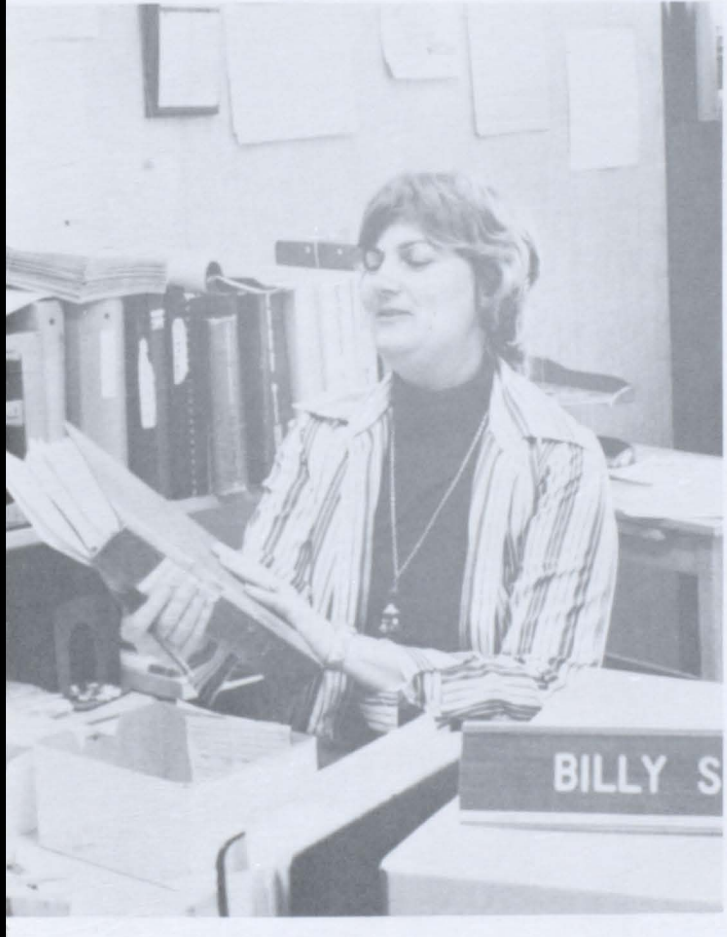
Even as a Sophomore, she was the center of attention.

By her Junior year, she had not moved much to the right of center.

By her senior year, she had found a spot all her own.

"Little things mean a lot" And they do to Billy.

"Work, Work, Work"
And she did . . .



. . . and she was proud of the result.

This is the way we shall remember her. Helping . . .

Thank-you Miss Silva

The Booster Club is made up of parents of Washington students who spend many hours raising money to provide needed equipment for all sports. This year because of funds the Booster Club has played an important part in keeping our sports. We would like to thank them for all the hard work, time, and money.

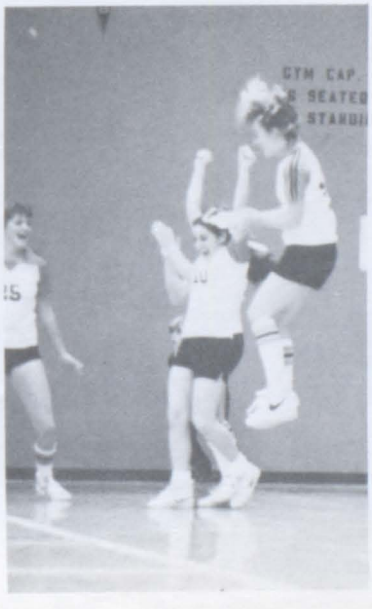
If you THINK you are beaten, you are,
If you THINK you dare not, you don't
If you like to win, but THINK you can't
It is almost certain you won't!

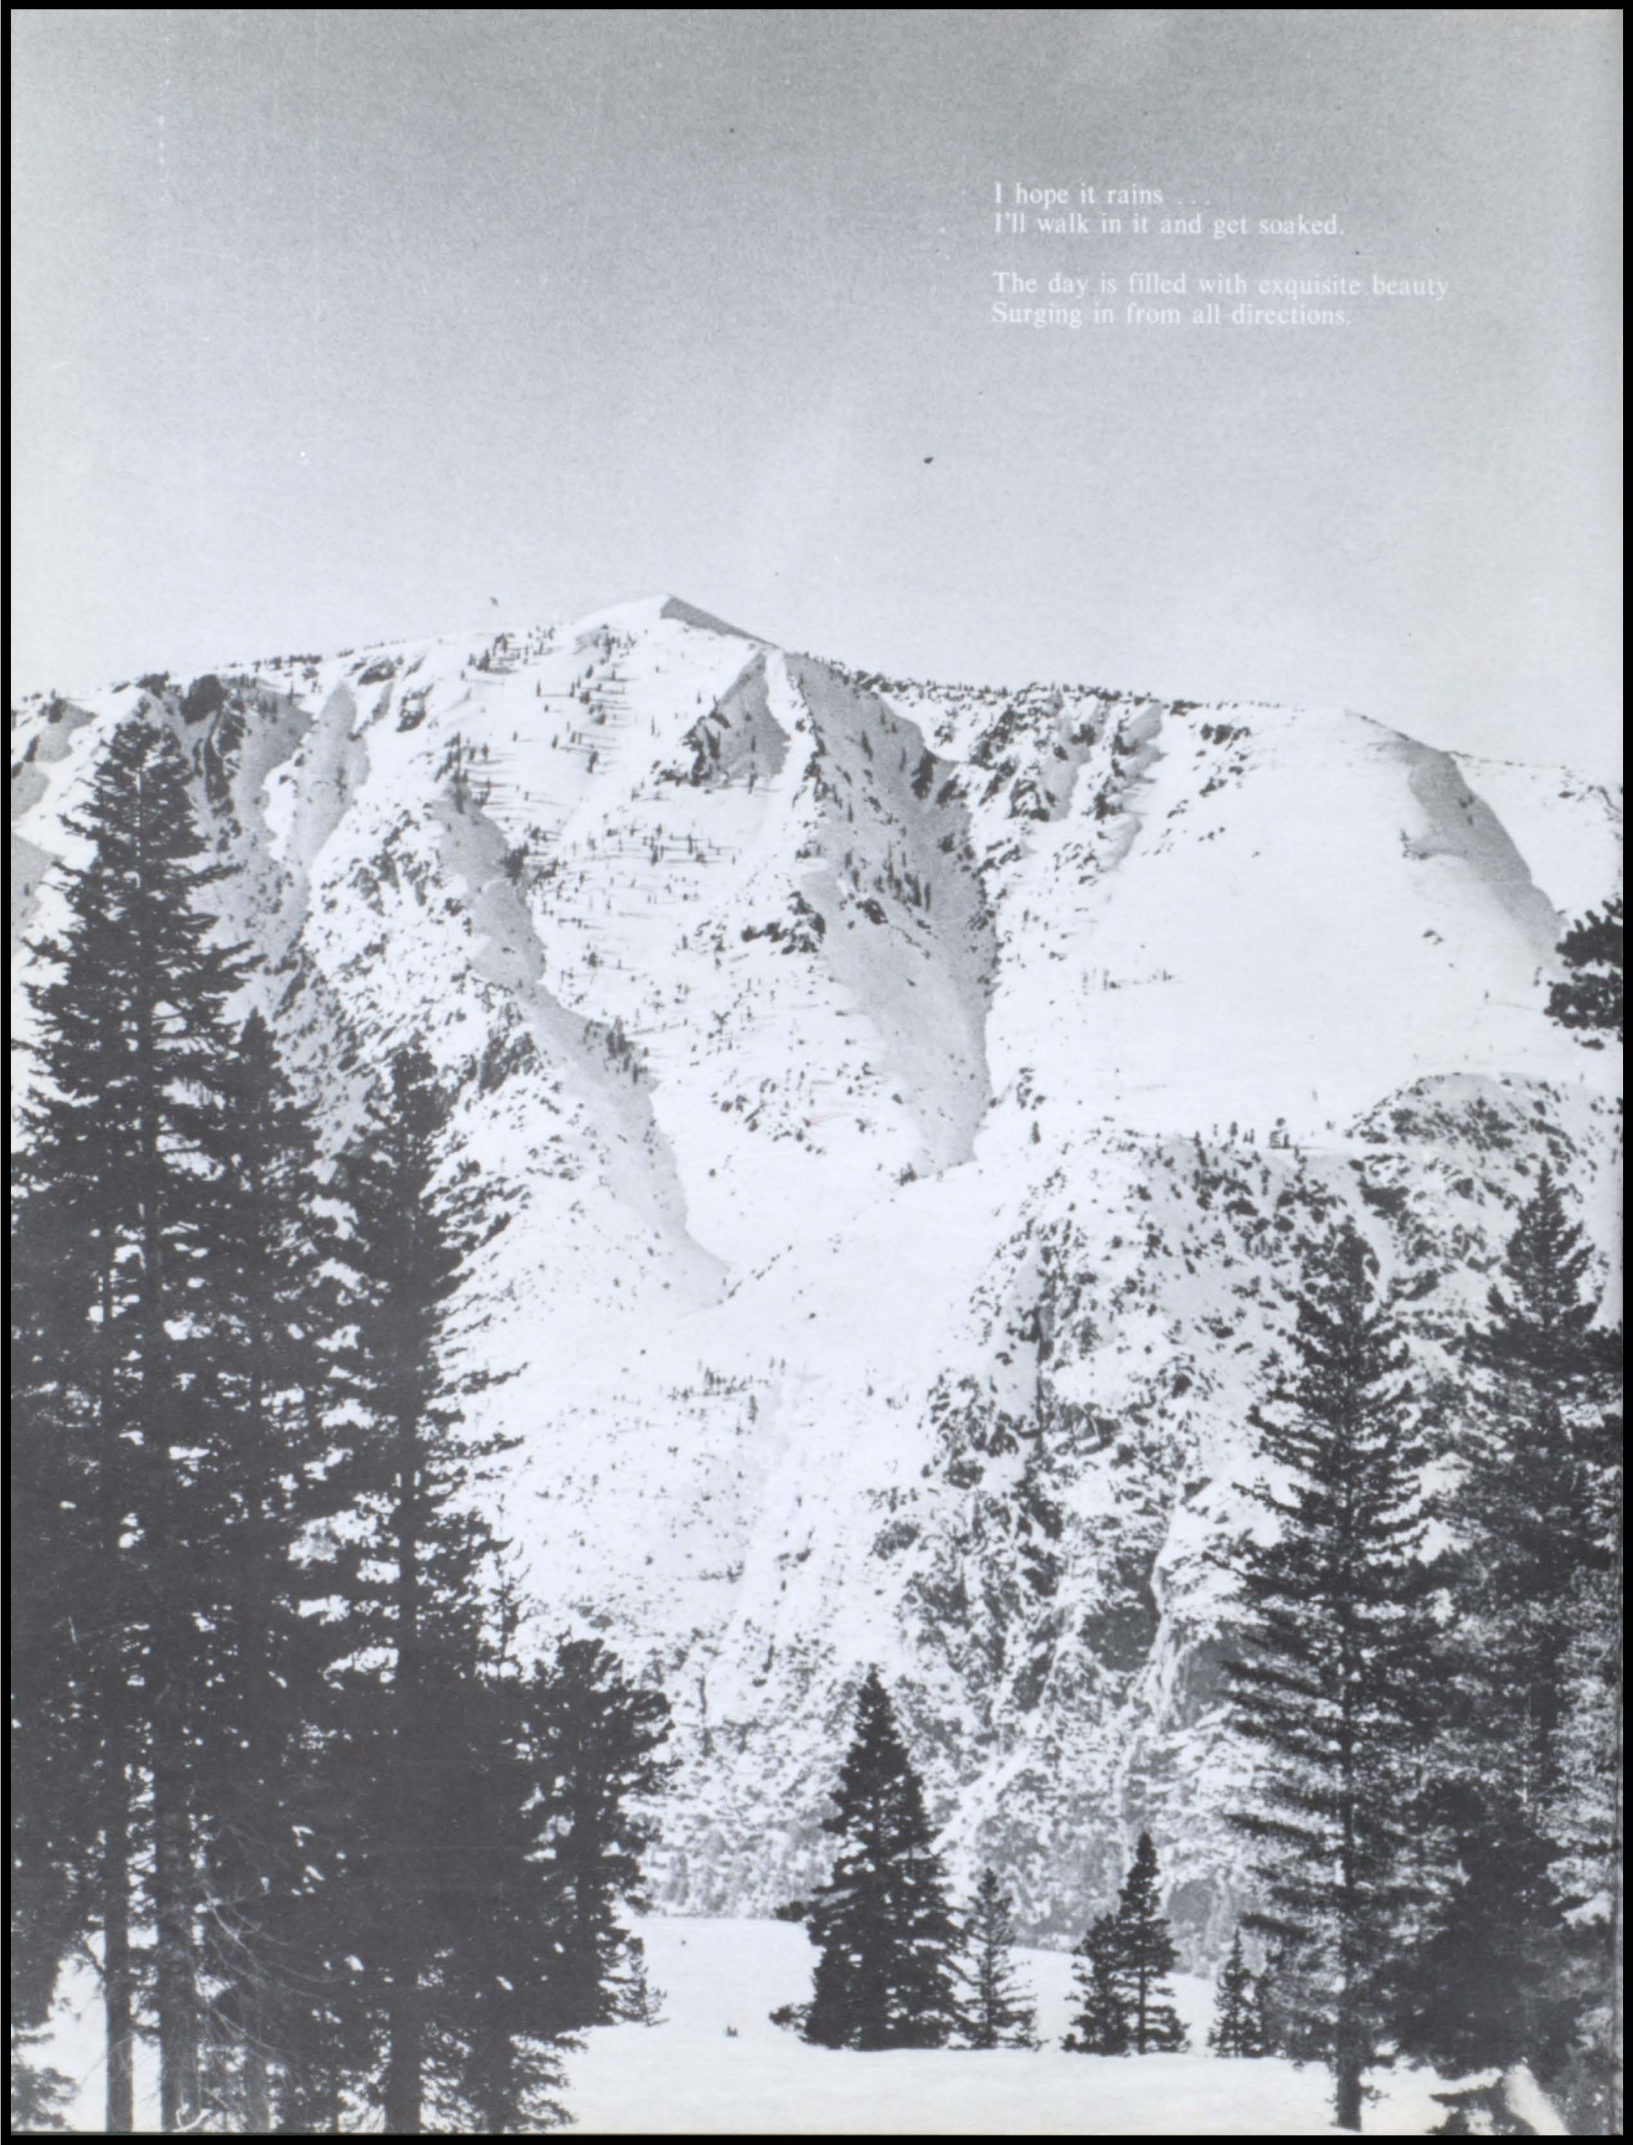
If you THINK you'll lose, you've lost
For out in the world we find,
Success begins with a fellow's WILL
It's all in the state of MIND.

If you THINK you are outclassed, you are,
You've got to THINK high to rise,
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man,
But sooner or later the man who wins
Is the man who THINKS he can!

Anonymous





I hope it rains . . .
I'll walk in it and get soaked.

The day is filled with exquisite beauty
Surging in from all directions.

I see with new eyes
Hear with childlike ears
And my heart is full of joy and Wonder.
My only sadness comes
From knowing what has been lost,
The previous time
Which passed while I was asleep
But even this is washed away
By the richness of now
And the promise of tomorrow

I hope it rains.

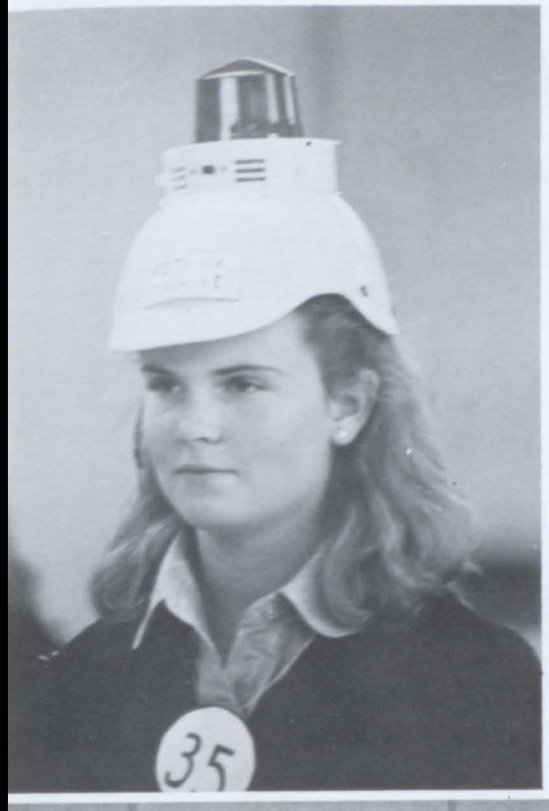
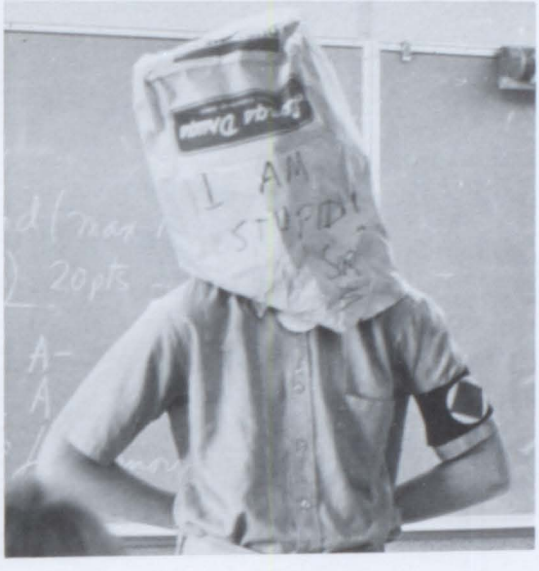
MYLANDIA

What is Mylandia? A hypothetical Totalitarian State that is the combining of the political philosophies of communism & fascism so that students might learn from personal experience what it would be like to live under these types of government today.





Who is Mylandia? The instructor of Mylandia is Mr. Richard Burkhart. The participants in Mylandia are the American Studies classes of 1978-79.

You life is open
for you have learned
to take time to
understand...
the flower,
the sunrise,
the serenity
of a walk
through the forest,
alone.

Looking ahead
to your tomorrow,
I see a world of love,
a world of giving,
a world created
for you,
by you.

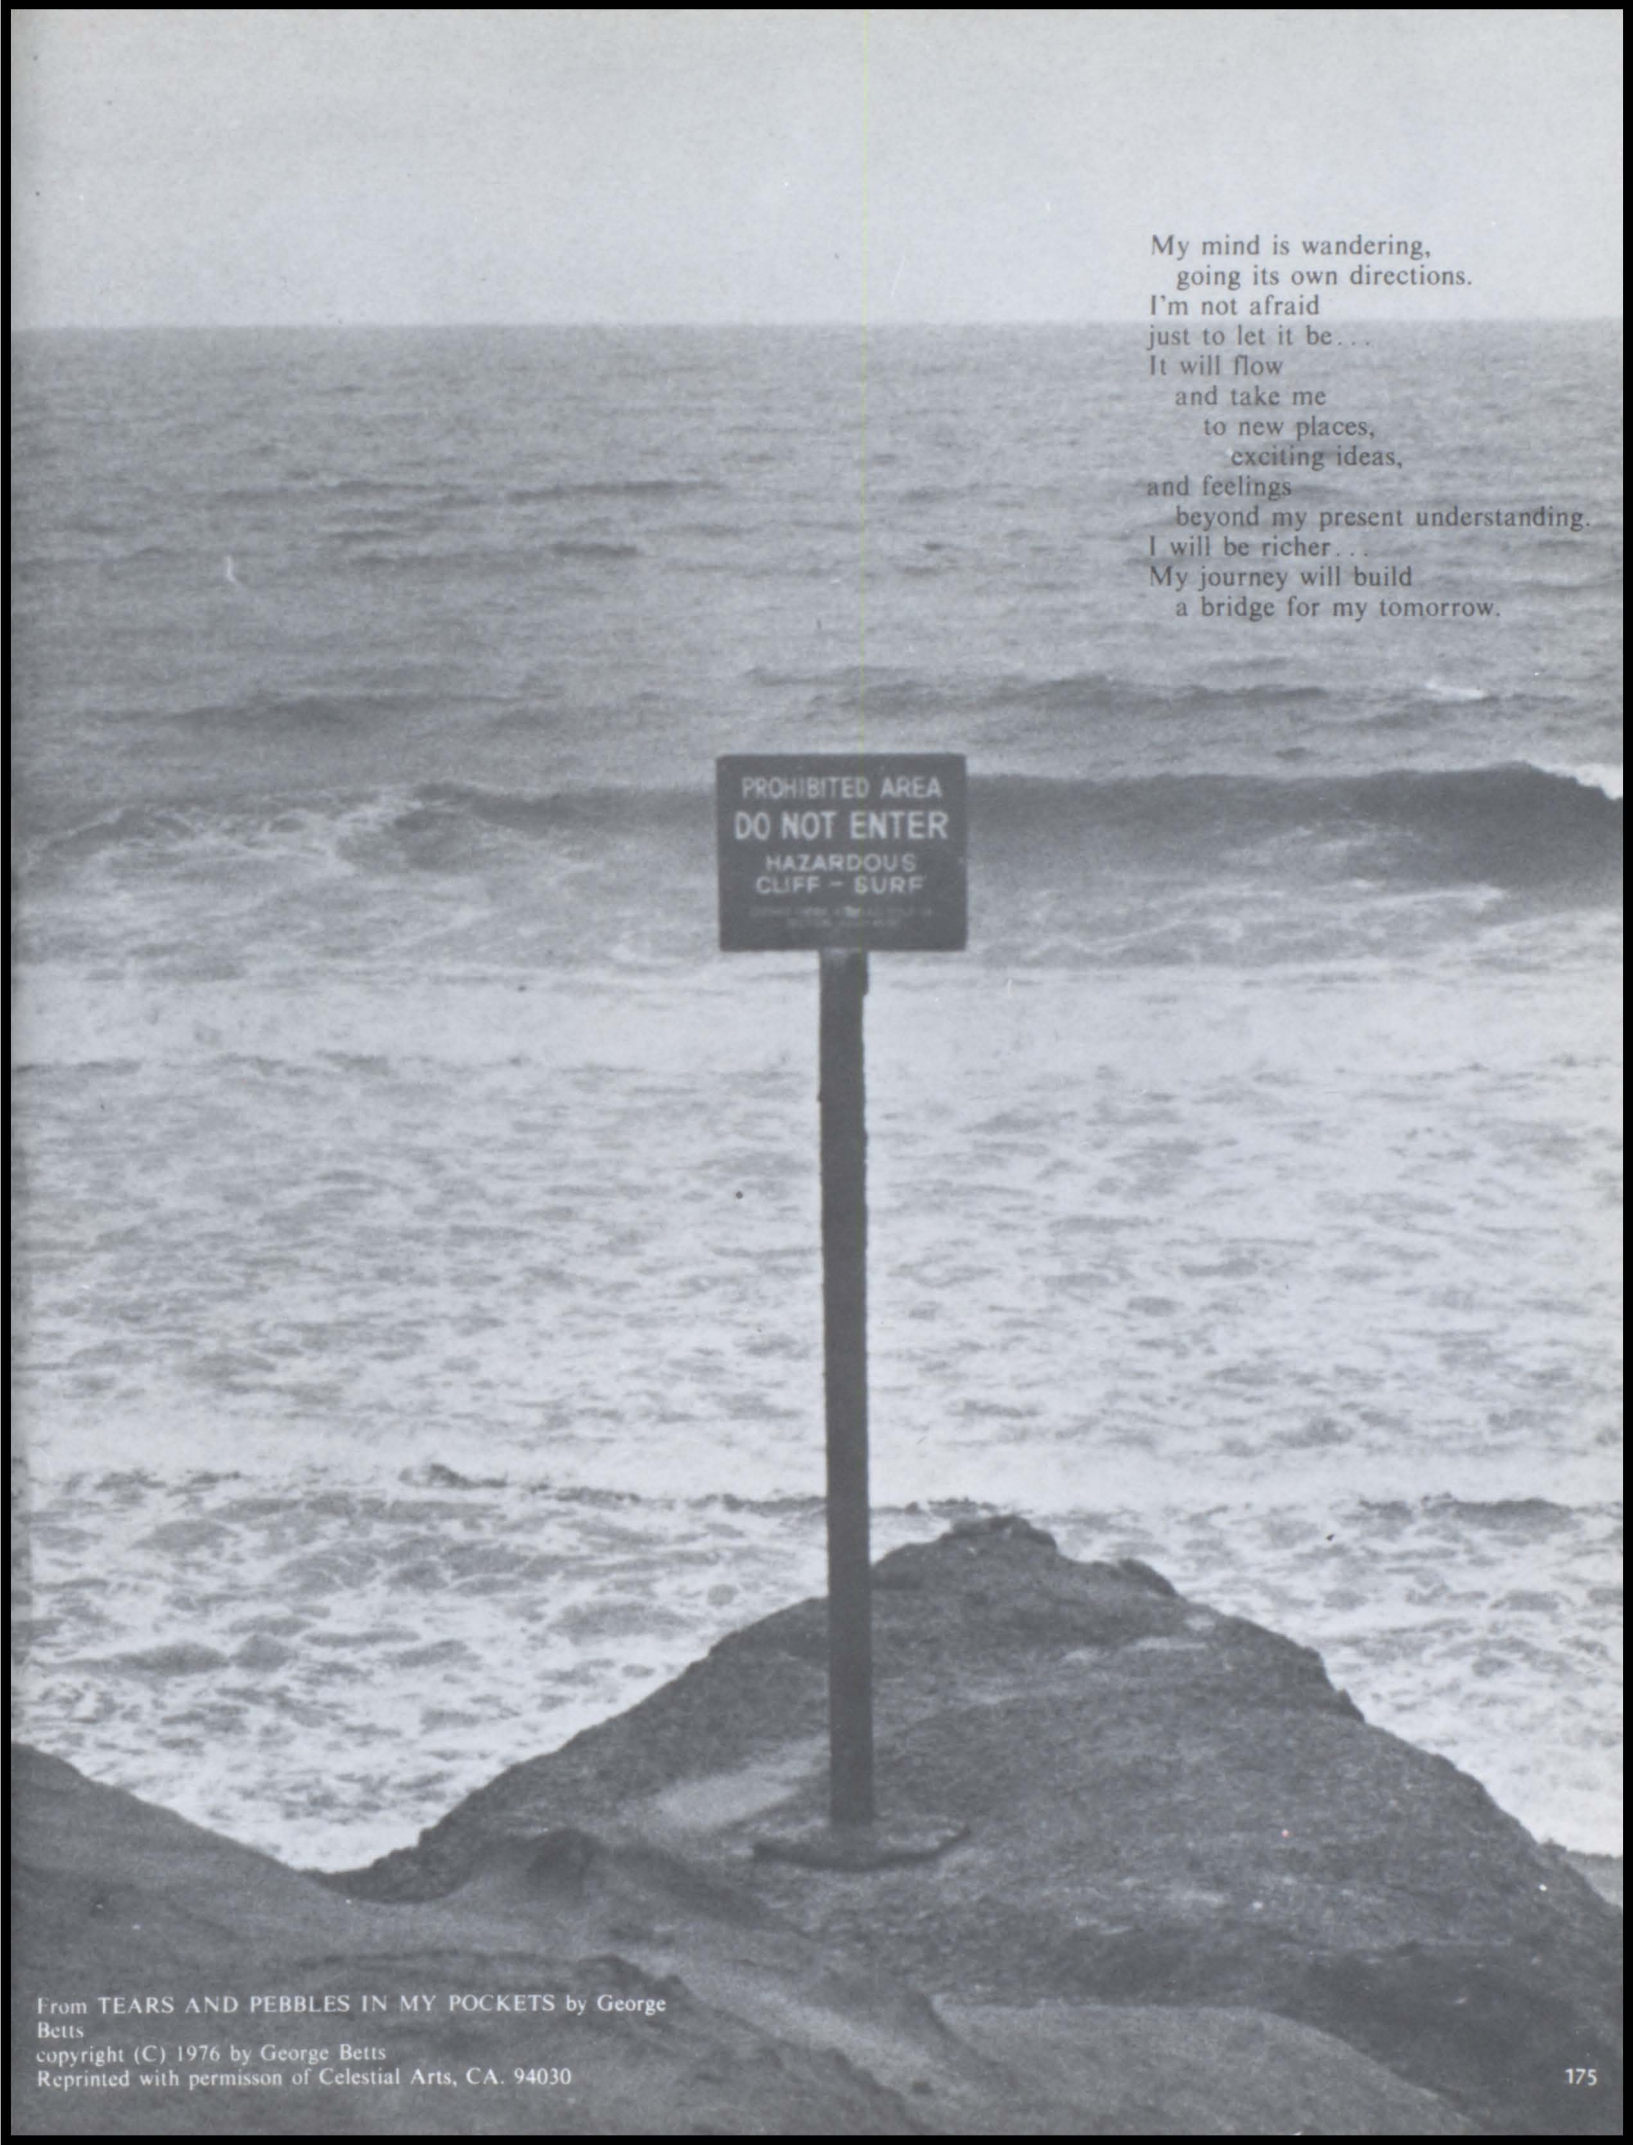
BYE-BYE BABIES



My mind is wandering,
going its own directions.
I'm not afraid
just to let it be...
It will flow
and take me
to new places,
exciting ideas,
and feelings
beyond my present understanding.
I will be richer...
My journey will build
a bridge for my tomorrow.
